

## C 113a - Introduction To Computing

## Challenge #9: Video and Forms

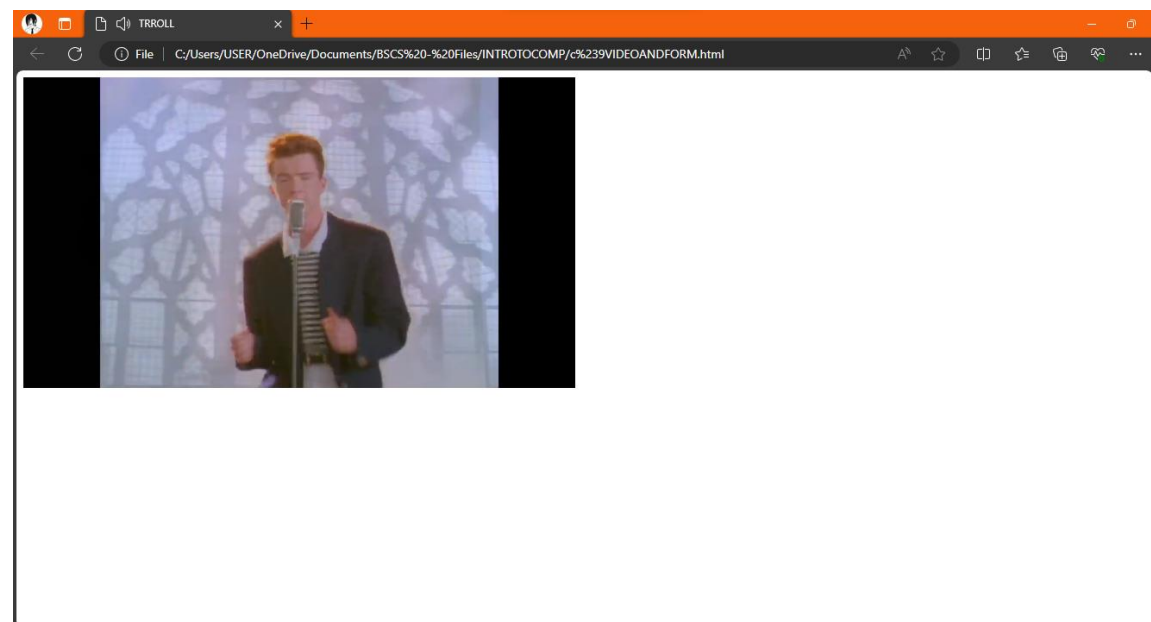

- For the video, I put my favorite video using the <video> tag.

```
c#2-BasicXHTML_ACOSTA.html  c#3-LAYOUTANDMENEUELEMENTS_ACOSTA.html 6  c#9VIDEOANDFORM.html X
C: > Users > USER > OneDrive > Documents > BSCS - Files > INTROTOCOMP > c#9VIDEOANDFORM.html > html > body >
1  <!DOCTYPE html>
2  <html>
3  <head>
4  |   <title>TRROLL</title>
5  </head>
6  <body>
7  |   <video width="640" height="360" controls>
8  |   |   <source src="C:/Users/USER/Downloads/THE_DANGER.mp4" type="video/mp4">
9  |   </video>
10 </body>
11 </html>
```

- As for the <form>, I think I have already done it in my previous work.

```
76 <div id="writeOnWall">
77 |   <h2>WRITE!</h2>
78 |   <form>
79 |   |   <textarea id="userText" name="userText" rows="4" placeholder="What are your thoughts?"></textarea>
80 |   |   <button type="submit" id="submitBtn">PIN IT!</button>
81 |   </form>
82 </div>
```

- The output for my <video>:

- The output for my <form>:
